VOYAGES OF A LIFETIME BY PRIVATE TRAIN™

COVID-19 PREPARATIONS

WHEN THE TIME IS RIGHT FOR YOU, WE WILL BE READY

“ The health and safety of our guests and staff is of paramount importance to us. During our 31 years of operation, we have always employed stringent safety and sanitation protocols on each and every one of our trains, and we will continue to do so when we are able to resume our

tours implementing the following special measures to prevent the spread of COVID-19.

DEEP CLEAN

A specialised deep clean of the train will be undertaken immediately prior to guests' arrival and cleaned continually throughout, using hospital-grade disinfectant.

ON BOARD DOCTOR

A UK-registered Doctor travels on board every Golden Eagle* and Golden Eagle Danube Express train departure, available for medical emergencies 24 hours a day.

*excludes Swiss Rail Spectacular and Canadian rail journeys

HYGIENE

All public spaces and touch points, including door handles and handrails, will be regularly disinfected each day. Disinfectant wipes available for guest use in all cabins, and public spaces.

SMALL GROUPS

Guests will enjoy their Golden Eagle experience in small social 'bubbles', assigned by carriage, including on board dining and excursions.

SAFE TRAVELS

Our local transport providers and expert guides ensure the protection of guests by following our strict Covid-safe protocols.

Please note, these protocols are subject to change. We will continue to develop our health and safety policy in line with the requirements issued by the World Health Organisation (WHO), the World Travel & Tourism Council (WTTC) and the government and health authorities in our operating countries. All guests will receive full and detailed information explaining our new measures, shortly before their departure.
